SW Coordinator Bob Schindler

Full-time

Metro Government. The purpose is to create synergistic environmental opportunities for the partners. The benefits include improved environmental education of school children and the broader community, cost savings for partners due to economies of scale in coordinated purchasing, contracting and environmental management, including waste disposal, collection and recycling contracts.

COLLECTION:

Changed over 20,000 residents' day of collection for garbage, yard waste and recycling to increase efficiency and reduce costs – see attached sample letter sent to each affected household. New collection schedule began July 19, 2004.

Advised Courier-Journal prior to every holiday to clarify collection schedules.

Produced the 2005 Project Pickup quarterly junk schedule and mailed appropriate schedule to some 93,000 households in mid November 2004.

Opened two sites for the collection of storm debris after severe storms occurred in July of 2004. Over 50,000 cubic yards of limbs and branches were collected and composted or provided to residents for firewood at no charge.

DISPOSAL:

Rebid solid waste disposal contracts by geographic areas and achieved significant cost savings in both solid waste disposal and yard waste disposal.

Provided two junk drop-off days in April and October of 2004 at no charge to residents. The total tonnage collected for both events was 821. Of that total, 97 tons were recycled. While this event is open to all Louisville Metro residents, it is designed primarily for the Suburban Areas who do not have junk pickup provided on a regular basis.

RECYCLING:

In partnership with Brightside, began the "School Recycling Program" which provides 18 gallon recycling bins to private and parochial schools that do not have formal recycling programs. Materials collected are transported by the school to a drop-off or staffed recycling location.

Attended neighborhood and organization meetings to promote recycling. Examples included a "Town Meeting" comprised of two council districts, a neighborhood meeting facilitated by the area Police Substation and the Louisville Central Area Downtown Residents Association meeting. Boy Scout troops also toured staffed recycling centers by request.

Revised "Recycling Guidelines" brochure March 2004, which provides drop-off, staffed, and household hazardous materials recycling.

WAVE 3 TV ran a story about our curbside recycling program March 1, 2004, which reported "a successful curbside recycling program" and dispelled the myth that materials are transported to the landfill.

The Courier-Journal ran an article about recycling opportunities in Louisville Metro sometime between March and May 2004.

Increased business participation in the downtown office paper recycling program and began forwarding revenue checks in April 2004 (\$4,324.70) to Brightside for the purchase of trees in the Louisville Metro area.

Established two drop-off sites for the collection of telephone books from residents and businesses in April and October of 2004. Over 9 tons of phone books were recycled.

Participated in Earth Day at the Zoo and the University of Louisville's Earth Day: Provided information on how to recycle, locations available, types of materials, demonstrations, and giveaways.

CyberCycle - year-round electronics recycling program began June 23, 2004. Thru December 31, 2004, 123 tons of electronic materials have been shipped for recycling. Residents may dispose of items at no charge – businesses and non-profits are charged .20/lb and .10/lb respectively. An article was published in the Louisville Central Area's monthly publication called "Upside Downtown" in July of 2004 about the program.

On June 29, 2004, Mayor Jerry Abramson signed an Executive Order mandating that all Metro government offices and employees participate in the Office Paper Recycling Program, purchase recycled office copy paper, use double-sided copying whenever possible, recycle toner and inkjet cartridges, and print materials such as brochures, booklets, pamphlets, etc, on recycled paper.

Provided vendors and residents with the opportunity to recycle Christmas trees at 4 drop-off locations – 1,632 trees were collected.

Revised and updated information packet and video for Green Inc. business waste reduction and recycling program.

--------------------	-------------	----------

Educational Activity:

COLLECTION: Apple Valley Sanitation prepared a slide presentation to present to elementary students, in cooperation with the Solid Waste Coordinator, that relates to various areas of solid waste. Tours of Apple Valley Sanitation are available upon request to any class or school group. The Solid Waste Coordinator published newspaper articles in cooperation with "The Paintsville Herald" relating to solid waste management. Public service announcements by WSIP (local radio) offer information about solid waste collection. The Solid Waste Coordinator contacted each elementary school in Johnson County and established an agreement to be available for classroom presentations.

DISPOSAL: Presentations offered to school children discuss various solid waste issues including disposal. Newspaper articles, public service announcements, and school presentations offer information on solid waste disposal.

RECYCLING/REDUCTION: School presentations, newspaper articles, public service announcements, and school presentations offer information on recycling an reduction.

ANTI-LITTERING: The Solid Waste Coordinator has prepared a window display with solid waste literature and automobile litter bags available to the public upon request.

ANTI-DUMPING: The Johnson County Fiscal Court purchased signs that state "No Dumping-Video Camera Enforced" to be placed at illegal dumps to warn the residents of Johnson County that they may be monitored. Anti-dumping is promoted at the Johnson County Conservation Field Day.

ENFORCEMENT: Newspaper articles, school visits, and public service announcements offer information on the enforcement of solid waste ordinances.

SITING: None reported.

Special Events:

County Cleanup Spring 2004
